Commissioner for Patents  
Washington, D.C. 20231TERMINAL DISCLAIMER

Sir:

The undersigned, Aaron Waxler, represents that he is a representative authorized to sign on behalf of the Assignee, Koninklijke Philips Electronics N.V., located at Groenewoudseweg 1, 5621 BA, Eindhoven, Netherlands, and is the owner of all right, title and interest in this application. The assignment was recorded on October 20, 1999 at Reel 010334 and Frame 0484.

The Assignee hereby disclaims the terminal part of any patent granted on Claims 16-36 of the above-identified application or on any continuations thereof which would extend beyond the expiration date of the full statutory term of U.S. Patent No. 6,678,529 which issued on January 13, 2004 as presently shortened by any terminal disclaimer and hereby agrees that any patent so granted on the above-identified application or on any continuations thereof shall be enforceable only for and during such period that the legal title to said patent shall be

the same as legal title to U.S. Patent No. 6,678,529. This agreement shall run with any patent granted on the above-identified application and is binding upon the grantor, its successor and assigns.

Assignee does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration and the full statutory term of U.S. Patent No. 6,678,529 in the event it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any Terminal Disclaimer, except for the separation of legal title stated above.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Please charge our Deposit Account No. 14-1270 for the Terminal Disclaimer fee and any other fees required by this Disclaimer.

The evidentiary documents accompanying or referred to in the Terminal Disclaimer have been reviewed by the undersigned and it is certified that to the best of the assignee's knowledge and belief, title is in the assignee seeking to take action.

Respectfully submitted,
